

HOMOSEXUALITY - NOTES

ATTITUDE TOWARD...

Slander, violence, hatred and scorn should never be our attitude

SHOULD LOOK MOTIVATING SPIRITUAL DRIVING FORCE BEHIND HOMOSEXUALITY

SCRIPTURE PRINCIPLES WHICH APPLY...

The Bible contains 9 specific references to homosexuality:

4 in the Old Testament

([Genesis 19:1-25](#); [Judges 19:22-30](#); [Leviticus 18:22](#); and [Leviticus 20:13](#))

5 in the New Testament

([Romans 1:24-28](#); [1 Corinthians 6:9-11](#); [1 Timothy 1:8-11](#); [2 Peter 2:6-10](#); and [Jude 7](#)).

INDIRECTreferences are [Genesis 2:18-25](#); [Proverbs 18:22](#); [Mark 7:21](#), [1 Thessalonians 4:3-5](#); [Romans 6:13](#), [13:13](#); [1 Corinthians 6:13](#), [18-19](#); [Galatians 5:19-21](#); [Colossians 3:5](#); [Revelation 21:8](#), [22:15](#)

MARRIAGE IN CREATION.... (from a Judaeo-Christian View)

Jesus is very clear on the proper marriage relationship ([Matthew 19:4-5](#)). There can be no mistaking what Jesus taught in this regard. In this passage Jesus is reiterating what Moses taught ([Genesis 2:24](#)) about marriage and family.

“Marriage is honorable among all, and the [marriage] bed undefiled; but fornicators and adulterers God will judge” (Heb. 13:41Co 7:2)

The Bible condemns all sexual activity outside of monogamous, heterosexual marriage: homosexuality, premarital sex, polygamy, adultery, bestiality

SCRIPTURE PRINCIPLES WHICH ARE STILL VALID ??

??BUT THE LAW PASSED AWAY, ... NAILED TO THE CROSS

CIVIL or CEREMONIAL LAWS versus MORAL LAWS in the Bible. While civil or ceremonial laws can and do change from country to country, moral laws do not change because they are rooted in the nature of man. The New Testament repealed various Old Testament ceremonial Jewish laws ([Acts 10:12-15](#), [Colossians 2:11-16](#), [Romans 14:17](#))

“DEATH” PRINCIPLE APPLIES TO SIN OF SODOMY... ONE OF THE SEXUAL SINS
... (THIS SIN HAS DESTRUCTION OF THE SOCIAL FABRIC AS IT'S GOAL)

Is the Old Testament punishment of death for homosexuality still valid?

Literal, Physical Death...NO! BUT, Spiritual, Heavenly, Eternally ... Death...YES!

In Leviticus 20:9-16 ...The literal Death Penalty was placed upon ...Parent-Cursing, ...Neighbor-Spouse-Sex, ...Father's-Wife-Sex, ...Daughter-In-Law Sex, ...Same-Gender-Sex(Homo-Sex), ...Mother-in-Law Sex, and...Animal-Sex. In the Old Testament homosexuality was just one of the many sexual sins.

Offerings from the wages of female and male prostitution ...sexual sins, were not to be brought into the house of God. Deu 23:17-18 ... (dog – male prostitute)

In the New Testament, the Death Penalty in a Spiritual Sense is still in place for sexual sins. See 1Co 6:9-10, Gal 5:19, Eph 5:3-5, 1Tim 1:10, Rev 22:15forbidden to enter. Spiritual separation, Spiritual Death.

? A GAY CHRISTIAN.... (considering new marriage laws, ministry ordinations, etc)

“Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived; neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor homosexuals (abusers of themselves with mankind), nor thieves, nor the covetous, nor drunkards, nor revilers, nor swindlers (extortioners), will inherit the kingdom of God” (1 Corinthians 6:9-10).

Definitely, in our Creator's eyes, Gay-Homosexual Sinners Exist, just as Fornicating Sinners, Adulterous Sinners, Thieving Sinners, etc.... and from each of these Christ came to save and cleanse us from.

Verse 11 says: *And such were some of you, but you are washed, but you are sanctified (set-apart), but you are justified (made right with) in the name of the Lord Jesus and by the Spirit of our God.*

Christians are those who have been cleansed and delivered by their faith in Christ from a whole host of sins, behaviors, immoralities, and transgressions against their Creator and their fellow man. Moved out of that previous circle of influence and bondage.

Yes, a spiritual warfare is engaged by the powers of darkness to challenge this escape and try to recapture the soul that has escaped in Christ. Man's fleshly natural nature does not relinquish control without a fight or struggle against Christ's Spirit of deliverance. And such were some of you.

There are not really any Adultery Christians, Thieving Christians, Swindling Christians, Drunkard Christians, nor any Homosexual Christians. That life has been repented of and empowered by the indwelling Spirit of Jesus Christ to overcome any ensuing attacks.

There is a tendency to declare homosexuality as the worst of all sins. While it is undeniable, biblically speaking, that homosexuality is immoral and unnatural ([Romans 1:26-27](#)), in no sense does the Bible describe homosexuality as an unforgivable sin.

IT IS SIN AGAINST THE BODY ...THE SOUL THE SELF

1Co 6:18 Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth **against his own body. ...HIS OWN SOULHIS OWN SELF**

BUT WE WERE BORN THAT WAY...

There have been three "studies" which were once cited to suggest an inherited homosexual trait, but all three have been scientifically discredited. (One of these was the 1991 study by

Simon LeVay. Another was a study by J.M. Baily and R.C. Pillard in 1991. The third was the Dean Hamer study in 1993.)

The medical and scientific evidence suggest that indeed, *there is no such thing as "homosexuality,"* in the sense of genetic determination. Indeed, some in the homosexual community are now acknowledging that there is no "gay gene."

THE DESTRUCTIVE BEHAVIOR OF THE "GAY SIN LIFE-STYLE"...

"Why shouldn't gays be allowed to marry. After all, who does it hurt?" **It hurts many!**

-Domestic violence is approximately 3 times higher among homosexual partnerships than heterosexual marriages

-Child Molestation appears to be staggeringly higher among gays.

-25% to 33% are alcoholics ... of people in the homosexual lifestyle are alcoholics compared to 7% in the general population.

-16 times more likely to molest a child & commit murder - Homosexuals are 16 times more likely than heterosexuals to molest a child and 15 times more likely to murder.

-20-30% shorter Life Expectancy - Practicing homosexuals have a 20% to 30% shorter life expectancy (excluding AIDS)

-Higher Cancer Infection Rate - Gay men are infected 50 times more often than straight men, and have a much higher incidence of [anal cancer](#) (among men), [breast cancer and gynecological cancers](#) (among women),

-Higher Suicide Rate : Suicide is 4 times more likely

-Seduced into it...Molested into it... : Around a third of gays, and many lesbians, say that they were "seduced," "molested," or persuaded by either formal or informal association into becoming participants in homosexuality. Many males who engage in same-sex sex claim they were "made compulsively homosexual" by seduction/molestation.

-A far higher percentage of adopted children of gay couples become gay verses gays in the population at large (over 20% verses 2%), proving that homosexuality is learned rather than genetic.

-A boy raised through teen years in a city is three times more apt to engage in homosexuality than a boy raised in rural areas.

SANCTITY OF HETEROSEXUAL MARRIAGE

Heterosexual marriage is a matter of genuine social interest because the family is essential to society's reproduction.

MALE & FEMALE COMPLEMENT ONE ANOTHER ...

Physically we know that a man and woman physically complement one another. They provide what is lacking on all levels. Only a man & a woman can pass life on by reproduction. Only a

man and a woman can obey the creator's commandment to go forth and multiply. They fit one another for reproduction. Two men don't fit. Two women don't fit.

Mentally, Emotionally, Hormonally, Socially

Report on Marriage explains why: **There are crucial sex differences in parenting.**

Mothers are more sensitive to the cries, words, and gestures of infants, toddlers, and adolescents, and partly as a consequence, they are better at providing physical and emotional nurture to their children."

Complementing that, "**Fathers are** more likely than mothers to encourage their children to tackle difficult tasks, endure hardship without yielding, and seek out novel experiences."

SUMMARY.... WHAT'S BEST FOR THE KIDS.... FOR FAMILIES....

Thousands of studies show that kids just do better when they have a male father and a female mother.

One Lesbian activist has said... ***Whoever captures the kids owns the future...***

God' way is best for the kids....
For our marriages & families....
For our neighborhoods...
For our Cities ...
For our Country...

CHRIST IS THE WAY OUT ...

*1Co 6:11 And **such were some of you:** but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.*
